## Welcome to Gillingham Community Church

If you are a visitor, you are very welcome. We hope you feel comfortable with our relaxed style of meeting. If you require some information or are unsure about anything, please feel free to ask one of us.

There is a crèche for children up to four years of age, which is staffed each week from 11.00am apart from the first Sunday of each month.

The Sunday school caters for children aged five and over. A notice on the screen will announce when it is time for them to leave the meeting. Parents are welcome to observe and join in with the crèche and the Sunday school.

Please join us for tea and coffee after the meeting.
